

## CERTIFICATE OF ACCEPTANCE

(GROUND SUPPORT EQUIPMENT)

Part Number : 1289.00

Certificate n° : A07008

Drawing issue : S/N 310119.01

Issue : N/A

Designation : Nose tripod jack

Date : Nov. 22<sup>th</sup> 2011

Aircraft Type /Model : A318/319/320/321

This is to certify that the above mentioned item has been successfully demonstrated on the under mentioned \* aircraft, as fulfilling the relevant design and operational requirements.

Aircraft serial N° / Aircraft Part : MSN224 IBERIA

### Remarks :

The tool has to be modified in order to allows a direct load reading on the pressure gauge. No further test is required.

Place : MADRID IBERIA FACILITY

Date : Nov. 11<sup>th</sup> 2011

---

	Name	Society/Siglum

Approved :	EPPLIN Cédric	SEMSD

## CERTIFICATE OF ACCEPTANCE

(GROUND SUPPORT EQUIPMENT)

Part Number : 1285.90

Certificate n° : A07009

Drawing issue : S/N 310119.01

Issue : N/A

Designation : Tail tripod jack

Date : Nov. 22<sup>th</sup> 2011

Aircraft Type /Model : A318/319/320/321

This is to certify that the above mentioned item has been successfully demonstrated on the under mentioned \* aircraft, as fulfilling the relevant design and operational requirements.

Aircraft serial N° / Aircraft Part : MSN224 IBERIA

### Remarks :

The tool has to be modified in order to allows a direct load reading on the pressure gauge. No further test is required.

## CERTIFICATE OF ACCEPTANCE

(GROUND SUPPORT EQUIPMENT)

Part Number : 1489.00

Certificate n° : A07027

Drawing issue : S/N 310295.03-04

Issue : N/A

Designation : Main tripod jack

Date : Jul. 12<sup>th</sup> 2012

Aircraft Type /Model : A330-200 / A330-200F / A330-300 / A340-200/ A340-300 /  
A340-500 / A340-600

This is to certify that the above mentioned item has been successfully demonstrated on the under mentioned \* aircraft, as fulfilling the relevant design and operational requirements.

Aircraft serial N° / Aircraft Part : MSN431 - A340-642 - IBERIA

Remarks :

No further test is required.

Place : MADRID IBERIA FACILITY

Date : Apr. 24<sup>th</sup> 2012
